Welcome

Thank you for considering Irvine University. We hope you find this guide informative and helpful. Should you have any questions, please contact our Admissions Office at 562-865-7111.

It is the policy of the University to collect all tuition and other fees from a student before he or she starts the course. However, for those who cannot pay the entire amount, the following plans are available:

Deferred Payment Plans

Students may defer tuition payments for each term by spreading the payments over three months. Application for the Deferred Payment Plan must be made at the time of registration. The contract for the Deferred Payment Plan is an option when signing the registration agreement. The cost of the Deferred Payment Plan for any term is between \$25.00 and \$50.00 depending on payment plan requested. The deferred payment schedule is as follows:

- 1st payment is due at registration: 1/3 of total tuition amount due plus registration, processing, and defer fees.
- 2nd payment is due one month after the 1st day of class: 1/3 of original amount.
- 3rd payment is due two months after 1st day of class.

Students may use Personal or Business Checks, MasterCard, Visa, American Express, Discover, or ATM Debit Cards.
